# À PROPOS DE NOUS / ABOUT US

---

UNTIL THERAPY est un groupe de Nu/Metalcore français, basé en Haute-Savoie, formé en 2018.

UNTIL THERAPY is a French Nu/Metalcore band, based in Haute-Savoie, created in 2018.

## HISTOIRE / STORY

---

Composé de cinq furieux du metal, le groupe cherche plus que jamais à poser sa pierre à l'édifice du metal français. Avec un son qui varie entre la lourdeur de Parkway Drive, les refrains catchy de Korn et les mélodies désynchronisées de Tool, le groupe possède son identité sonore unique, diversifiée et entière.

Composed of five metalheads, the band is looking - now more than ever - looking to add their stone to the wall of French metal. With a sound that shifts between the Parkway Drive's heaviness, Korn's catchy choruses and Tool's unsynchronized melodies, the band now possesses its unique, diversified, and whole sound identity.

## NOUVEL ALBUM / NEW ALBUM

---

UNTIL THERAPY défend aujourd'hui son premier album "Finding Unity In Sickness" sorti en octobre 2022 et le défendra corps et âme partout où on les attend, et surtout où on ne les attend pas.

UNTIL THERAPY now defends its first album "Finding Unity In Sickness" released in October 2022 and will defend it tooth and nail wherever they are expected, but mostly where they are unexpected.
